Summer Scavenger Hunt July 18, 2017	35 attended.  Fun and challenging event, well received.  Ice cream sundaes were a big hit, as well as the goody baskets and prizes for the winners.	Recommend that we do this again next July with new photos.
Summer Wind Down Picnic August 20, 2017 Elks Country Club	40 attended.  Elks offers bowling, swimming, and a lot of space for lawn games.	Recommended that committee members bring ideas to the next meeting and possibly consider doing as either kick-off to VBS or the ending to VBS.
All Parish Hayride October 22, 2017	Over 100 attended.  This event continues to grow. We had 4 tractors this year. Sherri Growden had great games. The weather was beautiful. Ridgetop had different types of cider to taste, as well as an experimental apple that is a cross between Fuji and Honeycrisp.	Recommend that we continue this event.

Book Club	Pat's note via email: The Trinity Book Club is, indeed, alive and well. We usually have between 8 and 10 ladies who attend our meetings. We are currently choosing the books that we will read in 2018. In December, we will combine our book club meeting with an afternoon tea at the 1788 Inn in Breezewood.  We always welcome new members – there is no commitment. Members sometimes come for the camaraderie, even if they haven't read the book!	Noted.
Women of Trinity	Alice reported that this year's theme is "Growing in Understanding". September's gathering was "Knowledge" and was an evening of pairing food and wine. October's gathering was "F+V: More Matters" with an interactive program of adding more fruits and veggies. Ladies had the opportunity to taste unusual fruits. November will be "Creativity", and members of the group can make either fall flower arrangements or help prepare the 3 characters for the Nativity. December will be "Merriment".  This is a diverse group with a wide range of ages.	Noted.
