Through this experience, faith is deepened, nurtured, and acted out.

When it comes time for the Rite of Confirmation, two happenings must be noted.

1. Grace is received as the promise of baptism is affirmed.
2. The faith and dedication of the confirmand is recognized and affirmed.

Confirmation

Confirmation is a wonderful time of celebration as the promise of baptism is affirmed and the grace of the Holy Spirit is conveyed upon the confirmand.

In this time of transition between confirmation models, High School Juniors and Seniors are invited to a special one year journey that leads to Confirmation.

The process consists of five key areas: Mentoring, Worship, Learning, Fellowship, and Service

The Five Areas

Mentoring:

Each catechumen will designate an adult in the congregation with whom they can regularly connect.

This person will be their mentor throughout this ministry.

The mentor participates with the catechumen in times of service and learning and models the life of an active adult in the life of the congregation.

Worship:

The catechumen will participate regularly in the worship of the church. This includes involvement in at least one worship ministry such as acolyting, ushering (with mentor), greeting (with mentor), or choir.

Learning:

Catechumens will attend all classes and participate regularly in Sunday school.

In the spring, winter, and fall, classes are held covering catechetical topics: Word of God (9/28/14), Stewardship and Vocation (1/18/15), and Confessional and Sacramental Theology (4/19/15).

Fellowship:

Throughout the year, various opportunities for fellowship are provided such as Youth Nites, Youth Quakes, and All Parish Events.

Catechumens will be regular participants in these and other fellowship events of the parish.

Service:

Our faith teaches us to love our neighbor and care for the needy.

Catechumens, alongside their mentors, will live out these commands through acts of service around the church and in the community.
